

The Saskatchewan Health Authority is experiencing a large surge in Covid-19 cases and demand within our system. To address this demand, we are asking SUN employees to identify work streams and areas in which they are interested in being potentially floated, as per Article 45 of the SUN collective agreement.

Please Indicate City/Town(s) and Service Line(s) you would like to volunteer to be on a Float Roster - Call Provincial Scheduling at 1-855-778-4141 and select option "2".
